

PRD NEWS BULLETIN

PRD of AUSTRALIA announces:

The release of the all NEW “Easy Start Ignition System”!

This ignition does exactly what it says, starts the engine **easy**.

The PRD factory has offered a one time special purchase of the **easy start ignition system** to all engines imported to USA by RLV/PRD-USA. These complete **easy start ignition systems** will be available direct from RLV/PRD-USA for a ridiculous price of US\$125.00 + California state tax if applicable. This offer is limited to factory stock on hand. The final day the offer will be available is April 30, 2012. The offer is limited to one **easy start ignition system** per engine. The main parts included in the “**Easy Start Ignition System**” are:

- Ignition plate with sensor
- Ignition Flywheel
- CDI modular controller sensor
- Relay
- Ignition coil with spark plug lead
- Clutch/chain guard with coil mount
- Wire harness, complete (new)
- Starter button mounting bracket
- Starter button
- On/off switch with light

The **easy start ignition system** will be available factory direct from RLV/PRD-USA. RLV will assume responsibility for the ground freight from the factory to the qualified PRD 125cc Fireball engine owner (48 continental states only).

To qualify for this one time limited offer the following is required:

1. The PRD 125cc Fireball engine must be imported by RLV/PRD-USA.
2. You must provide with the claim form, **1** photo which includes your drivers license and the engine displaying the serial number (the drivers license must be clear and legible).

Engine Serial # Sample: US3274

3. You must provide an invoice or the place/person of purchase.
4. You must complete the “Claim Form” and email to: orders@rlv.com or fax to: 805-922-3321.

(CLAIMS WILL NOT BE PROCESSED WITH INCOMPLETE FORMS)

5. All payments will be made by credit card only.
